Release: Immediate

Armstrong welcomes inclusion of Bridewell Centre, Magherafelt in Electoral Office Pilot Scheme

Mid-Ulster MLA Billy Armstrong has welcomed the news that the Electoral Office is to provide a a Registration and ID event in the Bridewell Centre, Magherafelt as part of an effort bring the Electoral Office's services closer to the community.

The Ulster Unionist representative said;

“I am delighted to see the Electoral Office is using the Bridewell Centre in Church Street, Magherafelt to help increase the level of Electoral Registration and participation.

It is vitally important that people ensure they are on the Electoral Register and are entitled to have their say. It is highly likely that May of this year will see the long-awaited General Election, and voters should ensure their details are up to date and on the new Register.

The free Service will be available in the Bridewell Centre on Thursday 25th February, between the hours of 4pm and 8pm.

Among the electoral services which will be made available to members of the public, will include assistance with registering to vote and applications for Electoral Identity Card applications, and I would strongly urge people to take advantage of this most welcome initiative.

The Local Electoral Office is based in Ballymena and can be contacted on 028 9044 6600, Freephone 0800 4320 and the website is www.eoni.org.uk.

As always, people should also free to contact me at my Constituency Offices in Stewartstown or Moneymore on 028 877 38641 or 028 867 48090.”
